## Sunshine Rare Coins Email Newsletter #16 Summer 2020 Edition!

Welcome to my Summer 2020 email newsletter. I'm happy to report that I just added 40 fresh new purchases on my website.

### COVID-19 Update

Since my last newsletter in April, the Coronavirus Pandemic has accelerated and more coin shows have been canceled. The Summer Baltimore show, the Summer FUN show and now the biggest coin show of the year - the Summer ANA show - have all been canceled. Stacks Bowers and Heritage Auctions are still holding their sales with solid results, but with no floor bidding and limited lot viewing opportunities, it presents a

challenge for bidders.

There is a supply shortage of coins in the market. Most dealers that I have been talking to have had trouble with their supply stream. With no major coin shows for the foreseeable future, it will be interesting to see how dealers react to this new reality. My online sales are at record highs, and new inventory sells quickly. I am buying aggressively, and I am taking an online first approach with smaller and more frequent new purchases additions. I just bought a quality group of almost a dozen Seated Dollars. I haven't had this many Seated dollars in a while, and I don't expect them to last very long!

### **Numismatic Talks on Zoom**

There are some great Numismatic talks being held on Zoom. With the cancellation of coin shows, many organizations have moved their educational seminars to a virtual format on Zoom. The ANS has great talks available including their popular Money Talks series. I have attended numerous ANS talks and they have all been very interesting and informative. With the cancellation of the ANA's Summer Seminar and the Pittsburgh ANA show, the ANA is also organizing abbreviated Summer Seminar Zoom courses along with Zoom Educational lectures that were scheduled to be held in Pittsburgh. I attended a few of the ANA courses and they were also very interesting and informative. In late August, the Newman Numismatic Portal will be hosting a 2 day Zoom Symposium. There is a great lineup of speakers including many hobby experts such as John Dannreuther. Please see the links below for details. If you miss any of the live talks, they will be available on YouTube later for your convenience. If you are not a member of these great numismatic organizations, I urge you to join.

Please keep checking my website in the next few weeks because I will be adding new coins frequently. Also, please let me know if you have any coins on your want list that I can help you find - not all of my coins make the website. I have a growing number of collectors who give me want lists so I can help them find that special coin. If you are looking to sell your coins, or are interested in consigning coins to me please contact me.

I have just added a large group of choice NEWPS to the website including some premium quality Bust and Seated coins across all price ranges.

Please visit my website below to see my full inventory, and email me at davidbsunshine@yahoo.com if you see anything of interest.
